**PRINCIPAL’S REPORT**

With only less than three weeks till the holidays, we now know who the new Principal is. Congratulations to Kathryn Coad who has now been appointed here. Kathy has been Acting Principal at Bullyard State School and has now been given the permanent position here at Givelda. I wish her well and I am sure she will enjoy working here with our wonderful staff and your wonderful children. I have just been informed I will be going to Bullyard as the P-2 teacher.

Next week on Monday is Sports day and it would be lovely to see as many parents as possible here.

Also next week on Wednesday school photos are being taken.

We have started on Report Cards, and these will be sent home in the last week of this term.

I have been pleased with how some of our students when ‘stuck’ with a problem, decide to give it a go another way. Well done to those with this great work ethic.

As you can see the tanks are being put in place and the school house is being painted. It will be great when all this work is finished.

Thank you to Jacinta Jowett on all her work with the new school sign and for the grant she has compiled with the Gaming Commission for extra funding for the work on the oval.

Have a great week!
Joan Riek
